CREATE A POSTER

Procedures are **instructions** that tell the reader how to do something.

The instructions can be displayed in the form of a **POSTER.**

Ideas for creating a poster

- A main message: Clear big writing
- A main picture to support the message
- Other smaller messages and pictures (optional)

What your poster is about:

What to do in the case of a fire

What is the main message? (use one of these or create your own)

examples:

KEEP LOW AND OUT YOU GO, STAY CALM AND HEAD OUT, LOOK FOR A WAY OUT

Plan your main picture and any other messages or pictures
