The Robbery

Questions to think about

Write an account of a robbery from the point of view of the thief. Imagine how he or she might try to convince others that their actions were right.

Who will be involved in the robbery?

When and where will the action take place?

How will you describe the sequence of events?

What repercussions will there be for the actions?

Choose a text type:

a poem

a script for a play

a picture book
slide presentation

a song

a short film

a story
