Edouard Manet

Painting in the style of Manet

Manet's painting has lots of dots and lines to represent the people in the busy cafe who are watching the singer on the balcony.

- *Print a copy of Studyladder's 'Singer at a Café-Concert' activity sheet.*

- *Use the printout, or create your own composition to paint in Manet's Impressionist style.*
- *Start by applying a light tempera paint as a base for each section of your composition.*
- *Apply layers of paint, thickly and freely applied, to create an impression of the details.*
