

The suffix "-ful" can be added to a base word to create the meaning "full of" or "characterised by". This suffix originates from Old English "full". (Note that the final "1" in "full" has been dropped in the suffix.)

Add the suffix "ful" then write the words again :

hand	use
mouth	pain
spoon	colour
cup	play
waste	power

Describe the following by using words that end in the suffix 'ful' :

The suffix 'ful' is sometimes added to a word to show an amount. Write a sentence using these words :

hand		
mouth		
сир		
spoon		
teaspoon		
Write words u	sing the letters contained in this word :	
	Teaspoonful	(デデ))
