

Describing a House

Describing a House

Using Adjectives

Adjectives are describing words.

They are used with nouns (names of things) to give us a picture in our mind of that thing.

For example:

I live in a big house .

I live in a small house .

The adjective describes the size of the house (the noun).

Using Adjectives

We can use two adjectives to describe a house.

What size is it?
What colour is it?

This adjective describes the size of the house (the noun).

This adjective describes the colour of the house (the noun).

I live in a big purple house.
