

Descriptive Writing

"Observation of a polar bear."

Observation of A Polar Bear

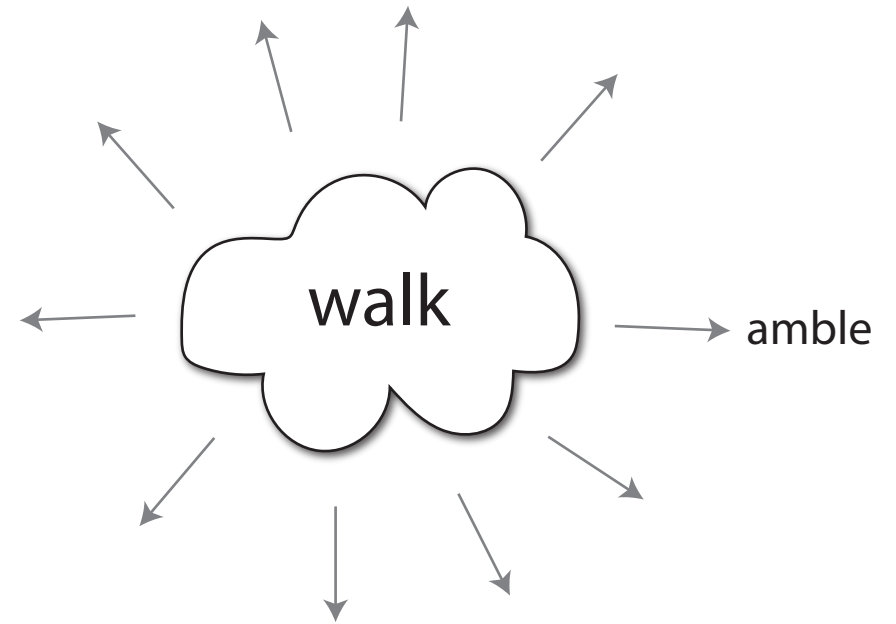

Questions to think about

Imagine you are watching a polar bear crossing over the ice at the north pole. How would you describe its movements?

What vivid verbs could you use that would describe the way it walks, runs, swims?

What words could you use to describe the polar bear's body parts?

What sentences could you use to describe the polar bear as it walks across the ice?
