

# Phone Plans

Plan 1: Unlimited calls and unlimited texts for £600 a year.

Plan 2: Unlimited calls and unlimited texts for £45 a month.

Plan 3. Unlimited calls and unlimited texts for £15 a week

Penny is looking for a new phone plan.  
She has a choice of three.  
Which plan is the cheapest?

## Extension:

On average, Penny sends 60 texts a week each costing 30p. She also makes 12 minutes worth of calls a week at 60p a minute. How much will she save per year using the best plan?
