

SNOWMAN SLAM

WHAT YOU WILL NEED:

- White cups
- Black & orange craft foam or construction paper
- White socks
- Glue
- Scissors

DIRECTIONS:

To make our snowmen, decorate six white cups using black and orange felt or you could also use colouring pens.

Make 6 snowmen all together.
Then stack them on top of each other.

To make the snowballs, tightly ball up three white socks.

Now take it in turns to throw the socks at the stack of snowmen.
Be sure to make a line (1-2metres away from the snowmen) that cannot be crossed when throwing the socks.
