Painting on wood in the style of Turner

- Print a copy of the 'Painting in the style of Turner' activity sheet.

Create a series of fast warm up paintings on art paper to experiment with colour- Turner style!

- Make sweeping strokes across the page with yellow and red paint.
- Then can add small amounts of white and blue or black as needed. Blend right on the page where needed.
- Once dry, use finer brushes to add sharper details.

Follow the instructions on the activity sheet to create your own Turner style painting on a primed wood panel.

Photographs of sunrises and sunsets will give you some good inspiration!
