

Descriptive Adjectives

Descriptive adjectives say something about the quality or the kind of the noun or pronoun they're referring to.

They are used to provide more information to a noun by describing it.

They express the size, colour, or shape of a person, a thing, an animal, or a place.

That is an old dog.

Mary brushed her long hair.

They live in a beautiful house.

They agreed it was a fantastic meal.

Use some descriptive adjectives for each picture.
