Newspaper Interview

In an interview questions are asked for a person to answer.

Task:

Write 10 questions that you would ask a Parisian (*A Parisian is a person that lives in the city of Paris, France*).

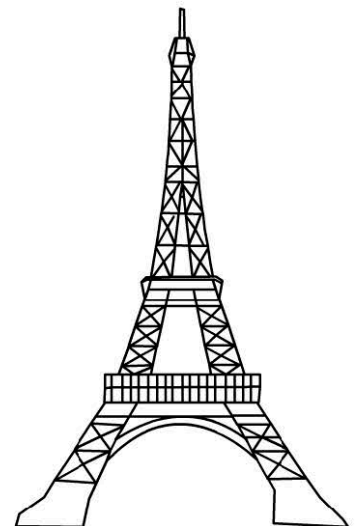

****Research information about Paris to find out the culture of the city and the types of things there are to do and see. This will guide your questioning.**

Also consider that your questions and the answers are for a newspaper, so ask questions that you think the public would like to know about.

Ask questions about:

The food Parisians eat, the things they do for recreation, their schooling, family etc.
