## A Visit To The Dentist

I need to see the dentist for a check up.

You sit in the dentist's chair.

The dentist uses tools to check your teeth.

Open wide!

You might need an x-ray.

Everything looks fine.

Clean your teeth at least twice a day.

See you next time.

Circle the correct answers:

Who checks your teeth? .....A doctor .....A chemist .....A dentist

What does the dentist use  
to check your teeth? .....Tools .....Eyes .....X-ray machine

How can you look after  
your teeth? .....Eat chocolate .....Brush twice a day

Do you know how often you should have  
your teeth checked by the dentist?
