

Making Bookmarks

OPEN
A BOOK
AND SEE
A NEW
WORLD

Study*ladder*

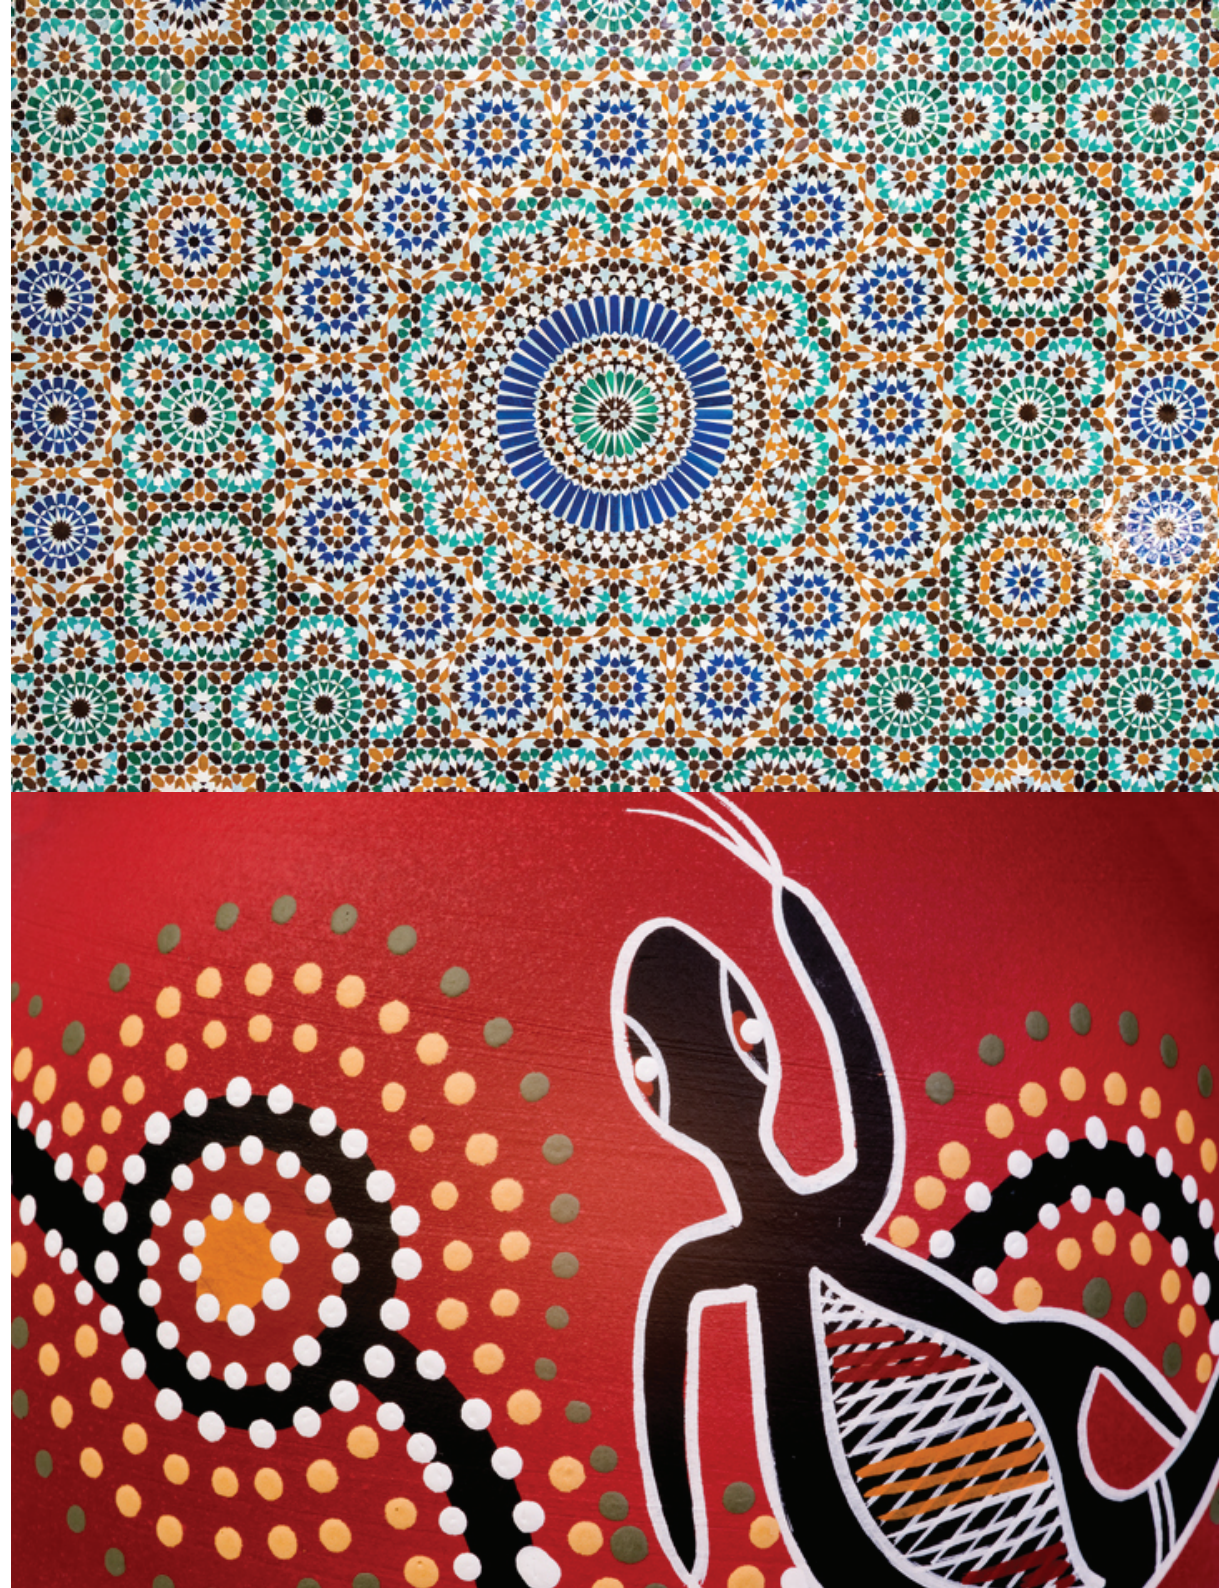

Investigate elements of design from different cultures throughout the world.

For example:

Middle eastern countries often depict repeated patterns of geometric shapes.

Traditional Australian Aboriginal designs often depict dots and lines.

Traditional Chinese and Japanese art often depict elements of nature.

Make bookmarks to give to people.

You can use designs on Studyladder's 'bookmark worksheet' or make up your own designs.

Be inspired by multicultural designs all around us in the world today!

Look for some inspirational quotes or make up your own!
