## ***'The Face Of Flora'*** ***A Colouring Activity***

- *Print a copy of Studyladder's 'The face of Flora' activity sheet.*

*This study is of the face of Flora, the goddess of flowers and Spring. No wonder she is covered in garlands of flowers around her neck and head. This detail is part of the large painting 'Primavera (Allegory of Spring)' which was painted by Botticelli in 1482.*

*Use felt-tipped markers, pencils or watercolour paints to complete the 'Face of Flora' activity, that is based on Botticelli's painting.*
