

Rapid Recall Number Program

Where to Start:

Rapid Recall is an individual number program for students. The aim is for students to develop number skills and improve speed and accuracy. Students work at their own level and are ready to progress when they complete each evaluation.

Below is a guide as to where to start:

Kindergarten , prep.	drill no. 1	Counting to 30
Grade 1	drill no. 5	Adding one more (numbers up to 20)
Grade 2	drill no. 10	Adding single digit numbers
Grade 3	drill no. 27	Subtract 10
Grade 4	drill no. 39	Mental strategies for addition
Grade 5	drill no. 54	Mixed times tables (1-10x)
Grade 6	drill no. 60	Mental strategies for adding three numbers
